## Meet NTL's New President

At our AGM in March, Helen Gunther was nominated NTL's new president. Helen is a busy mum to Travis and Kate and they have been Toy Library members for the last four years. Helen has been on the committee previously as Toy Buyer, and has now agreed to take on the challenge of being President. Thanks Helen for stepping up to keep us heading in the right direction!

We would also like to take this opportunity to thank our former President, Robyn, for all the effort she put in to expanding and developing the toy library over the last four years.

# New Toys

With grant funding received last year from City of Whitehorse, Telstra Kids Fund and Whitehorse Community Chest, we have been buying lots of new toys. Keep an eye out for these toys and heaps more which are available for borrowing now (or will be on the shelves very soon).

**Giant Connect Four**—great family fun with this oversized version of the family favourite. Great for older kids to develop strategy!

**Wooden Tram** — a realistic looking Melbourne tram comes complete with 12 wooden passengers and 2 tram conductors. With moveable wheels for pushing and zooming, the roof comes off the top to allow little hands to access the figures. Find it in the 'Transport' toy section.

**Feel and Find**— attempt to find the 3D wooden shape using only touch and match it to a pictured silhouette. Start with just a few to make it easier, or use all shapes to make it a real challenge—even for adults! Younger children can match the shapes

and silhouettes without the blind-fold, making it suitable for a wide age range.

**Music Toys**—we have completely restocked our 'Music' section with heaps of new instruments. Hand bells, box drums, sound prisms and glockenspiels are just some of the new things you can enjoy.

Here are some more of our new toys to look out for:

▲ Icecream set

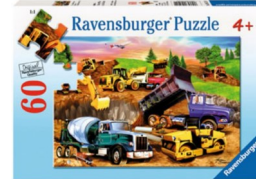

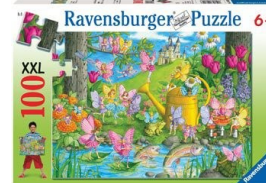

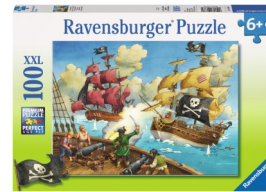

▲ Wooden post box & letters

▲ WOW Toys—Police Car, Recue Helicopter, Ambulance

▲ Oversized games—noughts & crosses and pick-up sticks

▲ Puzzles—pirates, dinosaurs, fairies and more!
